Planning Your Day

Visit the conference website or app to read the full session descriptions and learn more about this year's speakers. Colorado SHRM conference rooms have a maximum capacity and, once full, they will be closed. Sessions will be available on a first-come, first-served basis – regardless of if you added that session to your agenda within the app ahead of time.

Some sessions will be recorded at the Conference Center, and some speakers are providing pre-recorded versions of their presentations so if you miss a speaker in-person, you may be able to view their recorded content for 90 days following the event.
