Celebrating 50 Years of Excellence:

This year marks a significant milestone as the SHRM Western Colorado chapter celebrates its 50th anniversary at the annual conference. As a cornerstone of Colorado's HR community, SHRM Western Colorado has spent five decades advancing the profession and supporting HR professionals across the region. The conference not only offers a dynamic lineup of speakers, networking opportunities, and professional development, but also serves as a moment to honor the chapter's legacy, its dedicated members, and the pivotal role it continues to play in shaping the future of work on the Western Slope. This golden anniversary is a testament to the chapter's enduring impact and commitment to excellence in human resources.

Get Ready For One Groovy Reception:

We warmly invite all conference attendees to join us for a special evening reception in celebration of SHRM Western Colorado's 50th anniversary. This milestone event will be an opportunity to connect with fellow HR professionals, reflect on the chapter's rich history, and look ahead to an exciting future. In honor of our founding decade, the celebration will be '70s themed, so break out your bell bottoms, platform shoes, and groovy prints—**retro attire is highly encouraged!** Enjoy heavy hors d'oeuvres, music with a live DJ, and a festive atmosphere as we honor the leaders, members, and milestones that have shaped the last five decades. Your presence will help make this celebration truly memorable, and we look forward to raising a toast with you in recognition of this incredible journey.
